Units of Study for Reading & Writing

The **reading and writing units of study** help teachers provide their students with instruction, opportunities for practice, and concrete doable goals to help them meet and exceed any set of high standards. Teachers at Symons are committed to ongoing professional development to better learn how to teach ALL students.

Images of students at Symons engaging in readers workshop! Look at them grow!!

There are heroes all around us doing ordinary things in extraordinary ways! This year's Dance a Thon theme is **Heroes...Super and Beyond!**

This is our main fundraiser for the year! The Symons Elementary PTO is working to raise \$14,000 for educational field trips, enrichment programs, teacher mini-grants and fun family events. This is our fourth Dance a Thon and we hope this will be a fun and healthy activity that will raise enough money to afford all students an opportunity to participate in more educational events. Students will be asking for pledges from friends and family to sponsor their time slot during the Dance a Thon on **Thursday, November 29th**.

How do I collect donations?

There are two ways to make a donation. Simply write a check to "Symons Elementary PTO" and send it into school with your child OR you can also use our online fundraising system to request pledges from your family and friends! It's an easy and secure way to make credit card donations online. Register now to help our school raise as much as we can for all of our great PTO programs. Here is how:

- Go to <http://pledgestar.com/symons>
- Enter your name and email address, then click Register
- Follow the instructions on-screen

When you finish, the system emails pledge requests to your family and friends and allows them to make secure credit card donations online. You'll get notified each time a pledge is made, and you can track your pledge progress online.
