Dear Paddock Families,

We will be collecting school-issued Chromebooks, iPads, charging cords, and mobile hotspots from our virtual students on Friday, June 11th from 9:00-11:00 . We ask that families drive up to the front of the school where our virtual teachers and members of the Technology Department will be present to collect the devices. It would be very helpful if you return the devices fully charged.

Please also note that families will receive their child's report card at this time. To celebrate and acknowledge all the hard work this year, the Paddock PTO will have popsicles for our students to enjoy while they say goodbye to their teachers. If you are not able to attend on June 11th, please contact the Paddock office at 734-439-5100 to make other arrangements.

Sincerely,

Mr. DeSarbo  
Paddock Principal
