3105 *Visitors and Volunteers*

Visitors and volunteers, including Parents, may access the District's property subject to all applicable Policies. The District may deny such access for any lawful reason.

A. Visitors

1. A person may not enter or remain on the District's property if prohibited by law.
2. A person visiting a school building during instructional hours must first report to the building's main office. In the Superintendent's or building principal's discretion, a visitor may be required to sign in, present a form of identification, explain the visitor's purpose, wear a visitor badge, and be escorted while on District property. District personnel that discover a visitor who has not reported to the building's main office will promptly direct the visitor to the building's main office.
3. The District may require advance notice from a person who desires to observe classroom instruction. See also Policy 5401.
4. The building principal or designee may permit a Parent who is a registered sex offender to visit District property to participate in or attend his or her child's school activities. The building principal or designee may require the Parent to comply with other conditions upon visitation, including: a check-in/check-out system, an employee escort while on District property, and a requirement to leave District property immediately upon conclusion of the child's activity.

2. The District may lawfully require a volunteer to complete an application and consent to a background check as described in Policy 4205.
3. Volunteering is a privilege, not a right. A person does not have any right to volunteer or to perform any particular volunteer assignment. The Superintendent or designee will assess a volunteer's capabilities and determine the appropriate volunteer assignment. The Superintendent or designee may reject a volunteer's request or deny or terminate a volunteer's assignment at any time for any reason that is not unlawful.
4. Volunteer Drivers
 - a. A volunteer may only drive a District vehicle with approval of the Superintendent or designee and in compliance with all applicable laws. For

purposes of this subsection B.4, a “District vehicle” is a vehicle owned or leased by the District, including a school bus, and a “private vehicle” is any vehicle that is not a District vehicle.

- b. Except in an emergency, before a student rides in a private vehicle, the driver must have permission from the student’s Parent to transport the student to or from the school or applicable event. Permission must be in writing if the driver is using a vehicle with a manufacturer’s rated seating capacity of 11 or more passengers.

3106 *Booster Clubs, PTOs, and Other Support Groups*

The Board recognizes the important role of Parent groups, booster clubs, Parent-teacher organizations (“PTOs”), and other organizations that support District programs and activities (“support groups”). This Policy clarifies the relationship between the District and support groups.

A. General Rules

1. A support group must comply with applicable laws, Policies, administrative guidelines, and internal procedures.
2. A support group is required to submit to the District Form 3106-F annually, whether a new or existing support group.
3. A support group will indicate on Form 3106-F whether it has completed the criteria to be designated as an external support group, as defined below. The Superintendent or designee, in his or her sole discretion, may designate a support group as an internal or external support group based on information provided and as defined below.

B. Internal Support Groups

1. An internal support group is a group of individuals that supports the District’s programs and activities, including Parents, community members, and advisors, which is approved to operate within the District (e.g., internally conducted class or club fundraisers). An internal support group’s activities require prior written approval of the Superintendent or designee.
2. Funds raised by an internal support group are public funds that must be deposited with the District, and any related expenditure must be approved by the Superintendent or designee.
3. The Board may revoke the approval of an internal support group at any time.

C. External Support Groups

1. An external support group is a group, separate from the District, that supports the District’s programs and activities (e.g., booster clubs, both athletic and non-athletic, and PTOs). Unless the District agrees in writing, an external support group’s activities are not District sponsored.
2. Funds raised by an external support group are not public funds and may not be held by, or deposited with, the District. An external support group must maintain a separate bank account and adopt written accounting procedures.

3. The District strongly encourages external support groups to seek the advice of legal counsel and form a separate legal entity.
4. The Superintendent or designee may request informational documents for verification purposes, including its accounting procedures, bylaws, insurance, and state or federal filings. The District's request and review of documentation is not an endorsement of its accuracy or legal sufficiency.
5. An external support group is prohibited from using the District's tax identification or employer identification number.
6. An external support group is not an agent of the District and may not represent that it is an agent of, or legally related to, the District.
7. An external support group may not represent or suggest that the District sponsors, endorses, or approves a fundraiser, annual participation fee, or solicitation without the District's written consent.

D. Violations

If a support group violates this Policy, the District may:

1. prohibit the group from using District facilities, soliciting funds on District property and at District-sponsored events, or using the District's name and logo; or
2. take any other action deemed appropriate by the Board.

Acknowledgment and Release Form
Booster Clubs, PTOs, and Other Legally Separate Parent Groups

By executing this Acknowledgement and Release ("Acknowledgment"), I certify that I am an authorized representative or officer of the group identified below ("Organization"). On behalf of the Organization, which is operated as a separate legal entity from the District, I certify the following:

I have read and understand District Policy 3106 related to the policies and procedures applicable to our Organization. The Organization's operations will comply with applicable Board policies and procedures, administrative guidelines, and Board and administrative directives. I certify on behalf of the Organization that the Organization will not represent to any third party that it is an agent of the District or has any authority to act on behalf of the District.

The Organization is currently a properly formed separate legal entity (or is in the process of becoming a separate legal entity) as indicated on District form 3106-F. The Organization certifies that it has: (1) established a legal entity through the State of Michigan; (2) obtained an employer identification number (EIN) through the Internal Revenue Service and does not utilize the District's EIN for any purpose; and (3) established a separate bank account in the name of the Organization.

As a legally separate entity, the Organization is fully responsible for compliance with applicable state and federal laws. The District does not require the Organization to obtain tax-exempt status as a 501(c)(3) or other form of charitable organization, which is a decision for the Organization. The Organization is solely responsible for consulting with appropriate professionals on legal, tax, accounting, and other compliance matters, as deemed necessary by the Organization, including whether tax-exempt status would be beneficial for the Organization. Information provided by the District is general in nature and should not be construed as legal advice. District personnel may participate in the Organization's events and activities on a voluntary basis but may not be required to participate. The Organization is responsible for safeguarding funds raised by the Organization and has adopted written procedures or internal controls related to funds to minimize fraud or abuse. The District will not be liable for the failure of the Organization to properly safeguard funds or for losses associated with fraud or misuse of funds. Events and activities, including fundraisers, held by the Organization are not District-sponsored events and the District will not be held liable for such events or activities.

By execution of this Acknowledgment, I certify on behalf of the Organization that I have read and understand this Acknowledgment and that the Organization releases and holds the District harmless from liability arising from the operation of the Organization, including liability related to events and activities, failure to comply with applicable law, financial losses incurred, including those resulting from fraud or similar acts, and other liability associated with the Organization's operations.

3107 Use of Detection Dogs

The District may use a detection dog, without a warrant or consent, to sniff property in an effort to locate illegal drugs or contraband according to the protocol below. A detection dog will not be used to search a person unless a warrant or appropriate consent has been obtained before the search or the search is otherwise authorized by law or Policy.

A. Protocol for Use of a Detection Dog

1. A detection dog is only permitted on District property with prior written permission of the Superintendent or building principal or pursuant to a court order. If law enforcement seeks to bring a detection dog onto District property to comply with a court order, the Superintendent or building principal will request and retain a copy of the court order.
2. A detection dog must be properly trained and reliable and must be handled by a law enforcement officer or other person qualified to handle the dog.
3. The Superintendent or building principal will determine the location(s) where a detection dog will be used, in the absence of a warrant or court order specifying such location(s).
4. Students and staff may be informed over the public address system and may be directed to remain in place or relocate to a different area during the use of the detection dog.
5. If a detection dog alerts on a person's property, the alert will constitute reasonable suspicion for a District administrator to search the property.
 - a. The administrator may first seek the person's consent to search the property.
 - b. Absent consent, a search must be justified at its inception and reasonable in scope.
 - c. All searches of students must comply with Policy 5103, and the student's Parent will be notified of the search as soon as practicable after the search concludes.
 - d. If the driver of a vehicle on which a detection dog has alerted refuses to unlock the vehicle, the matter will be promptly referred to law enforcement. The driver may also be subject to discipline.

Anything found in the course of a search that is evidence of a violation of Policy, school rules, handbook, or federal or state law may be seized and admitted as evidence in any disciplinary proceeding. A District administrator will tag and

identify any illegal drug, dangerous weapon, and other illegal item and promptly turn it over to law enforcement.

B. Notice to Students and Staff

The District will provide written notice to students and staff about this Policy as soon as practicable after its adoption by the Board and at the beginning of each school year.

3108 Service Animals

The District will permit a person with a disability to be accompanied by a service animal in all areas of the District's facilities where members of the public, invitees, or participants in District services, programs, or activities are permitted.

A. Definition

A "service animal" means any dog that is individually trained to perform tasks for the benefit of a person with a disability. A dog whose sole purpose is to deter crime or whose mere presence is to provide emotional support or comfort to the person with a disability is not a service animal.

Except as provided by law, other animals are not service animals for purposes of this definition. Under certain circumstances, the District will permit a person with a disability to be accompanied by a miniature horse in District facilities if the horse has been individually trained to perform tasks for the benefit of the person with a disability.

The work or tasks performed by a service animal must be directly related to the person's disability. The service animal must be trained to take a specific action when needed to assist the person with a disability. Examples of work or tasks include, but are not limited to:

- assisting blind or low vision persons with navigation and other tasks;
- alerting deaf or hard of hearing persons to the presence of people or sounds;
- providing non-violent protection or rescue work;
- pulling a wheelchair;
- assisting a person during a seizure;
- alerting persons to the presence of allergens, the onset of a seizure, or high/low blood sugar levels;
- retrieving items such as medicine or a telephone;
- providing physical support and assistance with balance and stability to persons with mobility disabilities; and
- helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

B. Admission of Service Animals

A student or employee with a disability who desires to be accompanied by a service animal at school is encouraged, but is not required, to notify the District in writing at least 10 school days or as soon as is practicable before bringing the service animal to school. The District may provide a form for this purpose.

If a student or employee desires to be accompanied by a service animal during school or work and the student or employee will not be the animal's handler, the handler must undergo a criminal history check and any other background check required for employees and volunteers by state law or Policy before being allowed to regularly access District facilities as the handler. The District will permit the person with a disability to be accompanied by a service animal in District facilities without that handler.

C. Inquiries

District officials may ask the person with a disability or the service animal's owner or handler the following questions to the extent the answers to the questions are not readily apparent:

- Is the service animal required because of a disability?
- What type of work or task has the service animal been trained to perform?

District personnel will not inquire about the nature or extent of the person's disability. District personnel also may not require documentation that the service animal is certified, trained, or licensed as a service animal, nor may District personnel require the service animal to demonstrate its task or work.

If a local ordinance or the public health department requires that dogs be vaccinated, registered, or licensed with the county or other authority, the District may require proof that a service animal meets those requirements.

D. Charges, Fees, and Liability

The District may not ask or require a person with a disability to pay the District to be accompanied by a service animal on District property. The District may charge the service animal's owner for damages to District property caused by the service animal to the extent it charges other persons for damages caused to District property.

The owner of the service animal is solely responsible and liable for any damage to District property or injury to persons caused by the animal.

E. Care and Supervision of Service Animal

The person with a disability or the service animal's handler is responsible for the care and supervision of the service animal at school, including, toileting, feeding,

grooming, veterinary care, and exercising. The District is not responsible for supervising or otherwise caring for a service animal unless required by law.

F. Control of Service Animal

A service animal must be under its handler's control at all times. A service animal must be on a harness, leash, backpack, or other tether unless the person's disability prevents the use of the device or the device interferes with the service animal's safe and effective performance of work or tasks. In this case, the person with a disability or the handler must use voice, signal, or other effective means to maintain control of the service animal.

G. Exclusion of Service Animal

The District may exclude a service animal from District property or functions if:

- the animal is out of control and the handler does not take effective action to control it;
- the animal is not housebroken;
- the animal poses a direct threat to the health or safety of others; or
- the animal's presence fundamentally alters the nature of the District's programs, services, or activities.

If District officials determine that the service animal should be excluded from District facilities for one of the above reasons, the person with a disability (or the Parent of a student with a disability) will be notified of the determination, asked to remove the service animal immediately, and given an opportunity to respond to the District's concerns. If a District official determines to exclude a service animal, he or she shall notify the owner in writing and provide a copy of the District's Section 504/ADA grievance procedures. The person with a disability shall be given the opportunity to participate in the District service, program, or activity without the service animal.

H. Allergies

Allergies to pet dander and the fear of dogs are not valid reasons to exclude a service animal from District facilities. A person who has a concern about a service animal's presence in District facilities should contact the building administrator or the District's Section 504/ADA Coordinator.

I. Denial of Access and Grievance

If a District official denies a request for access of a service animal, the person with a disability or his/her Parent may file a written grievance with the District's Section 504/ADA Coordinator.

Nothing in this Policy diminishes any right a person with a disability may have to be accompanied by a service animal or other assistance animal in District facilities or at District events under other federal or state laws.

J. Non-Service Animals

Animals on District property that are not service animals as defined by the ADA, such as pets or emotional support animals, are not covered by this Policy. See Policy 3109.

3109 Curricular Animals

An animal is not allowed on District property except as provided in this Policy, Policy 3108, with the Superintendent's or designee's approval, or as otherwise required by law. Nothing in this Policy diminishes any rights a person with a disability may have to be accompanied by a service animal or other therapy animal on District property. If an animal's handler is not a student or employee, the handler must undergo a criminal history check and any other background check required for employees and volunteers by state law or Policy before being allowed to regularly access District facilities as the handler.

A. Use of Animals for Instructional Purposes

An animal that supports a District program or curriculum or that is otherwise used for instructional purposes is allowed on District property with the Superintendent's or designee's prior written permission.

It shall be the responsibility of the building's Principal or their designee to develop a plan of care for those animals housed in District buildings in the event of a school closing (i.e., snow day, breaks). Animal-specific guidelines established by the Centers for Disease Control must be followed at all times.

B. Therapy Dogs

1. Definition of Therapy Dog

A "therapy dog," differs from an "emotional support animal," "comfort animal," or "companion animal." Therapy dogs are not "service animals" under the Americans with Disabilities Act (ADA) or Board Policy. Therapy dogs are those that have been:

- a. individually trained and certified by an approved therapy dog training organization;
- b. engaged in animal assisted activities and interactions under the direct supervision of a handler; and
- c. managed by a handler who has been individually trained, evaluated, and registered with their therapy dog to provide animal assisted activities and animal-assisted interactions on District property.

A therapy dog must be well-behaved and have a temperament that is suitable for interaction with students and other persons in a public school. A therapy dog is the personal property of its owner, not the District.

2. Standards and Procedures for Therapy Dogs

The following requirements must be satisfied before a therapy dog is allowed on District property:

- a. Request. An owner who wants to bring a therapy dog on District property must submit a written request to the Superintendent or designee. The request must be renewed each school year or whenever a different therapy dog will be used.
- b. Training and Certification. The owner must submit any training or certification information requested by the Superintendent or designee. Any certification required by the District must remain current at all times.
- c. Health and Vaccination. The therapy dog must be clean, well-groomed, in good health, house broken, and immunized against diseases common to such animals. The owner must submit proof of current required licensure from the county or other licensing authority and proof of the therapy dog's current vaccinations and immunizations from a licensed veterinarian, if applicable.
- d. Control. A therapy dog must be under the owner's or handler's control at all times.
- e. Handler. If the therapy dog's handler is a District employee, the therapy dog will not interfere with the employee's primary job responsibilities.
- f. Ownership. Therapy dogs may be provided by a third party, or independently owned by a District employee. If owned by a District employee, the therapy dog must meet the standards of health described above at the owner's expense. Required training for accreditation must be at the owner's expense. The District bears no financial responsibility for the care or feeding of the therapy dog. The District is not responsible for providing any care, supervision, or assistance of the therapy dog.
- g. Transportation. Animals, other than service animals, are not to be transported on school buses. It is the responsibility of the therapy dog's handler to transport the dog to and from school property.
- h. Identification. The therapy dog must wear appropriate identification identifying it as a therapy dog.
- i. No Disruption. The therapy dog's behavior must not disrupt the educational process.
- j. Health/Safety. The therapy dog must not pose a health or safety risk to any student, employee, or other person.
- k. Supervision/Care of Therapy Dogs. The owner or handler is responsible for the supervision and care of a therapy dog, including feeding, exercising, and clean up while the dog is in a District building or on District property.

The District is not responsible for providing any supervision, care, or assistance for a therapy dog.

- l. Authorized Area(s). The owner or handler will only allow the therapy dog to be in those areas that have been pre-authorized by the Superintendent or designee.
 - m. Insurance. The owner or handler must submit a copy of an insurance policy that provides liability coverage for any damage or injury caused by the therapy dog while on District property.
3. Exclusion or Removal from School

A therapy dog may be excluded from District property if the Superintendent or designee determines that:

- a. the handler does not have control of the dog;
- b. the dog is not housebroken;
- c. the dog presents a direct and immediate threat to others; or
- d. the dog's presence otherwise disrupts the educational process.

The owner or handler must remove the therapy dog from District property immediately upon such a determination.

4. Allergic Reactions

If any student or employee assigned to a classroom in which a therapy dog is permitted suffers an allergic reaction to the therapy dog, the owner or handler must remove the dog to a different location designated by the Superintendent or designee.

5. Damages to District Property and Injuries

 - c. include the District's telephone number and any other telephone number where the recipient may receive additional information; and
 - d. whenever possible, be mailed to the postal address of the affected person.

Race includes traits historically associated with race, including, but not limited to, hair texture and protective hairstyles. Race, color, or national origin harassment may take many forms, including slurs, taunts, stereotypes, or name-calling, as well as racially motivated physical threats, attacks, or other hateful conduct.

3115D *Informal Resolution*

In lieu of resolving a Complaint through the Grievance Procedure, and if offered by the District, the Parties may elect to participate in an informal resolution process. If the Complaint involves Title IX Sexual Harassment, the informal resolution process in Policy 3118 applies. Informal resolution is not available to resolve a Complaint that includes allegations that an employee engaged in sex-based harassment of a student, or when such a process would conflict with Federal, State, or local law.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice.

3115E *Grievance Procedure and Remedies*

A. Grievance Procedure

1. Generally

The District has adopted the following Grievance Procedure that provides for the prompt and equitable resolution of Unlawful Discrimination, including harassment and retaliation, Complaints, excluding Title IX Sexual Harassment complaints. This Grievance Procedure will be used to investigate and resolve Complaints of Unlawful Discrimination, including harassment and retaliation, between and among students, employees, volunteers, contractors, and Board members.

The District will treat Complainants and Respondents equitably.

The District requires that any individual serving in a Key Role not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. The District presumes that the Respondent is not responsible for the alleged Unlawful Discrimination until a determination is made at the conclusion of the Grievance Procedure.

2. Grievance Procedure Timeframes

The District anticipates that most investigations will be concluded within 60 days. Investigations that involve several parties or witnesses, or investigations that are more complex, may exceed 60 days.

3. Confidentiality

The District will take reasonable steps to protect the privacy of the Parties and witnesses during its Grievance Procedure. These steps will not restrict the ability of the Parties to obtain and present evidence, including consulting with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the Grievance Procedure.

4. Evidence Considerations

The Decisionmaker will objectively evaluate all relevant evidence. Credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

5. Complaint Consolidation

The District may consolidate Complaints when the allegations arise out of the same facts or circumstances.

6. Notice of Allegations

Upon receiving a Complaint, the applicable Coordinator will notify the Parties of the following:

- a. The Grievance Procedure and any informal resolution process;
- b. Sufficient information available at the time to allow the Parties to respond to the allegations, including the identities of the Parties involved in the incident(s), the conduct alleged to constitute Unlawful Discrimination, and the date(s) and location(s) of the alleged incident(s); and
- c. Retaliation is prohibited.

If, during an investigation, the District decides to investigate additional allegations of Unlawful Discrimination by the Respondent toward the Complainant that are not included in the notice provided or that are included in a Complaint that is consolidated, the District will notify the Parties of the additional allegations.

7. Investigation

The District will ensure an adequate, reliable, and impartial Complaint investigation. The burden is on the District - not on the Parties - to conduct an investigation that gathers sufficient evidence to determine whether Unlawful Discrimination occurred.

The Parties will be provided an equal opportunity to present fact witnesses and other inculpatory and exculpatory relevant evidence.

Throughout the investigation, the Investigator must determine what, if any, facts remain in dispute. If dispositive facts are not reasonably in dispute (e.g., based on Party admissions, irrefutable evidence), further investigation is not required.

8. Determination

Following the investigation and evaluation of the evidence, the Decisionmaker will:

- a. Use the preponderance of the evidence standard to determine whether Unlawful Discrimination occurred.
- b. Notify the Parties in writing of the determination whether Unlawful Discrimination occurred, including the rationale for such determination and the procedures and permissible bases for the Complainant and Respondent to appeal, if applicable.
- c. Comply with this Grievance Procedure before imposing any disciplinary sanctions against a Respondent.

9. Remedies

If there is a determination that Unlawful Discrimination occurred, the applicable Coordinator will, as appropriate:

- a. Coordinate the provision and implementation of remedies to a Complainant and other people the District identifies as having had equal access to the District's education program or activity limited or denied by Unlawful Discrimination;
- b. Coordinate the imposition of any Disciplinary Sanctions against a Respondent; and
- c. Take other appropriate prompt and effective steps to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity.

10. False Statements

A person who knowingly files a false Complaint or makes a materially false statement is subject to discipline, including discharge from employment or expulsion.

Legal authority: 20 USC 1400 et seq., 1681 et seq.; 29 USC 206 et seq., 621 et seq., 701 et seq., 794, 2601 et seq., 6101 et seq.; 38 USC 4301 et seq.; 42 USC 1983, 2000d et seq., 2000e et seq., 2000ff et seq., 6101 et seq., 12101 et seq.; 29 CFR 1604.1 et seq., 1635; 34 CFR 106.1, et seq.; MCL 37.1101 et seq., 37.2101 et seq.

3115F *Complaint Dismissal and Appeals*

A. Complaint Dismissal

The District may dismiss a Complaint if:

1. The District is unable to identify the Respondent after taking reasonable steps to do so;
2. The Respondent is not participating in the District's education program or activity and is not employed by the District;
3. The Complainant voluntarily withdraws any or all of the allegations in the Complaint and the applicable Coordinator declines to initiate a Complaint; or
4. The District determines the conduct alleged in the Complaint, even if proven, would not constitute Unlawful Discrimination.

Upon dismissal, the District will promptly notify the Complainant of the basis for the dismissal. If the dismissal occurs after the Respondent has been notified of the allegations, the District will also notify the Respondent of the dismissal and the basis for the dismissal promptly following notification to the Complainant, or simultaneously if notification is in writing.

Upon dismissal, the District will take prompt and effective steps, as appropriate, through the applicable Coordinator, to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity. The District will offer Supportive Measures to the Complainant as appropriate. The District will also offer Supportive Measures to the Respondent as appropriate if the Respondent has been notified of the Complaint allegations.

3116 *District Technology and Acceptable Use*

The Board will provide students, staff, volunteers, and other authorized users access to the District's technology resources, including its computers and network resources, in a manner that encourages responsible use. Any use of District technology resources that violates federal or state law is expressly prohibited.

A. Children's Internet Protection Act

The Board complies with the Children's Internet Protection Act ("CIPA") and directs its administration to:

1. Monitor minors' online activities and use technology protection measures on the District's computers with internet access to block minors' access to visual depictions that are obscene, constitute child pornography, or are harmful to minors. The term "harmful to minors" means any picture, image, graphic image file, or other visual depiction that:
 - a. taken as a whole and as to minors, appeals to a prurient interest in nudity, sex, or excretion;
 - b. depicts, describes, or represents, in a patently offensive way as to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
 - c. taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.
2. Use technology protection measures on the District's computers with internet access to block all access to visual depictions that are obscene or that constitute child pornography. The technology protection measures may be disabled by authorized personnel during adult use to enable access to bona fide research or for other lawful purposes. The Superintendent or designee will determine which District personnel are authorized to disable the protection measures.
3. Educate minors about appropriate online behavior, including interacting with other people on social networking websites and chat rooms, as well as cyberbullying awareness and response.
4. Prohibit access by minors to inappropriate matter on the internet.
5. Prohibit unauthorized access, including hacking and other unlawful online activity by minors.

6. Prohibit the unauthorized disclosure, use, and dissemination of personal identification information about minors.
7. Restrict minors' access to materials that are inappropriate for minors. The Board defines materials that are "inappropriate for minors" to include obscene depictions, child pornography, and any other material harmful to minors.
8. Encourage the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communication.

The Superintendent or designee will take steps necessary to implement this Policy and to otherwise comply with CIPA.

B. Acceptable Use Agreement

The Superintendent or designee will develop, review, and revise as necessary an acceptable use agreement that must be signed before a user is provided access to the District's technology resources. Different acceptable use agreements may be developed based on the user's status. At a minimum, the Superintendent or designee will develop an acceptable use agreement to be signed by each of the following groups:

- adult users, including employees, volunteers, and Board members;
- students in grades 7 and above and their Parent; and
- students in grades 6 and below and their Parent.

The acceptable use agreement must be consistent with this Policy and must include, at a minimum, all of the following:

1. A statement that:

- a. use of District technology resources is a privilege that may be revoked at any time;
- b. a user has no expectation of privacy when using District technology resources;
- c. District technology resources use may be monitored by the District and that the use may be subject to FOIA or disclosure in litigation;
- d. District technology resources may not be used to bully, harass, or intimidate others;
- e. misuse of District technology resources may result in loss of access to the resources and potential disciplinary action; and
- f. the District does not guarantee that the District's technology resources will be error free or uninterrupted.

2. Provisions to protect the integrity of District technology resources, including a requirement that each user only access the resources by using that user's assigned user name and password.
3. A list of what constitutes misuse of District technology resources.
4. A prohibition against:
 - a. accessing other user accounts or files without authorization;
 - b. conducting personal business or activities;
 - c. accessing pornography;
 - d. communicating inappropriately with students;
 - e. accessing or downloading confidential student information which the employee has no legitimate educational need to know; and
 - f. accessing or downloading unauthorized software or programs.
5. A requirement that users report any material that is threatening, harassing, or bullying.
6. A release of all claims and liability against the District for use of District technology resources.

C. District Personnel Use

District personnel must comply with Policies 4215 and 4216.

D. State Assessments

During the administration of state assessments (e.g., WIDA, M-STEP, etc.), unless otherwise permitted by this subsection, students and District personnel, including those individuals acting as test administrators, are prohibited from possessing, using, wearing, or otherwise accessing any electronic devices not being actively used for testing purposes when in an active testing session or while on a break when in an active testing session. Pictures, videos, or other communications regarding test content are prohibited during all testing and breaks.

For the purposes of this subsection, an "electronic device" includes any electronic device that can be used to record, transmit, or receive information not used for testing, including but not limited to computers, tablets, iPads, e-readers, smart watches (including Fitbits), smartphones and cell phones, Bluetooth headphones or smart earbuds, or smart glasses.

The Superintendent and building principals are authorized to develop additional building-level rules related to state assessments so long as those rules are not in conflict with this subsection.

1. Students

- a. Students shall leave all electronic devices outside of the testing room or shall power off all electronic devices and surrender them to the test administrator for collection prior to beginning the testing session.
- b. If an additional electronic device is medically necessary for a testing student, the device must be left with the test administrator, unless the student is required to possess the device, in which case the test must be administered to the student by a test administrator in a one-on-one setting and the student must be actively monitored at all times while testing.
- c. During the testing sessions or breaks, students may not access any additional websites or applications on a device used for testing.

2. Test Administrators

- a. Test administrators or other District personnel monitoring or troubleshooting the administration of state assessments must:
 - i. Ensure that all background applications and alternative websites are disabled on testing devices.
 - ii. Actively monitor students in the testing room and verify that students do not have access to additional electronic devices before, during, and after testing, including breaks.
 - iii. Refrain from disturbing the testing environment, including through texting, speaking, or using electronic devices for non-testing purposes (e.g., to complete other work). Test administrators must silence all electronic devices. Test administrators are prohibited from wearing or accessing a wearable electronic device (e.g., smart watch or Fitbit).
- b. Test administrators may use electronic devices to alert other personnel of issues or emergencies requiring assistance. Such other personnel may use their electronic devices for troubleshooting purposes but should exit the testing room when engaging in those communications.

3. Penalties

The failure to comply with this subsection may result, as applicable, in employee or student disciplinary action and such consequences as deemed necessary or appropriate by the Michigan Department of Education (e.g., invalidation of an individual student's test, or misadministration of the entire testing session and invalidation of all the students' tests).

E. Public Access to Technology

1. Pursuant to the Michigan Library Privacy Act, each school library offering public access to the internet or a computer, computer program, computer network, or

- computer system (a “Qualifying School Library”) will limit minors to only use or view those terminals that do not receive material that is obscene, sexually explicit, or harmful to minors. Persons age 18 or older, or a minor accompanied by the minor’s Parent, may access a school library terminal that is not restricted from receiving such material, if any.
2. Only when a Qualifying School Library offers public access as described in subsection D.1., the District must designate at least 1 terminal that is not restricted from receiving such material and at least 1 terminal that is restricted from receiving such material. Library staff must take steps to ensure that minors not accompanied by a Parent do not access the unrestricted terminal. The Superintendent or designee will determine which employees will implement subsection D in each Qualifying School Library.
 3. As used in this Policy, “terminal” means a device used to access the internet or a computer, computer program, computer network, or computer system.

3118 Title IX Sexual Harassment

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and its implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020 unless the District previously investigated the allegations under a different policy pursuant to the now-vacated Title IX 2024 regulations. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of Unlawful Discrimination and Unlawful Harassment (e.g., race, age, disability) Complaints that include allegations of Title IX sexual harassment may be investigated under this Policy or bifurcated and investigated pursuant to the applicable Grievance Procedure under Policies 3115-3115H. Investigating other forms of discrimination, including harassment and retaliation, pursuant to this Policy will fulfill the District's investigation requirements under Policies 3115-3115H, 4104, and 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 3115-3115H, 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and Informal Resolution Facilitator cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or Informal Resolution Facilitator must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

A. Definitions

For purposes of this Policy only, the below terms are defined as follows:

1. "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:
 - a. A District employee conditioning the provision of a District aid, benefit, or service on a person's participation in unwelcome sexual conduct;
 - b. Unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
 - c. "Sexual assault" as defined in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(10), "domestic violence" as defined in 34 USC 12291(a)(8), or "stalking" as defined in 34 USC 12291(a)(30).
 - i. "Sexual assault" is an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. It includes unlawful sexual intercourse (including incest and statutory rape) and any sexual act, including rape, sodomy, sexual assault with an object, or fondling, directed against another person without the consent of that person, including when that person is incapable of giving consent.
 - A) Rape: (Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - B) Sodomy: Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - C) Sexual Assault With An Object: To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - D) Fondling: The touching of the private body parts of another person for the purpose of sexual gratification without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

- E) Incest: Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - F) Statutory Rape: Nonforcible sexual intercourse with a person who is under the statutory age of consent.
- ii. “Dating violence” means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - iii. “Domestic violence” means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person’s acts under the domestic or family violence laws of Michigan.
 - iv. “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person’s safety or the safety of others; or (2) suffer substantial emotional distress.
- 2. “Actual Knowledge” means notice of sexual harassment or allegations of sexual harassment to the District’s Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
 - 3. “Appeals Officer” is the person designated by the District to decide appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.
 - 4. “Complainant” is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
 - 5. “Consent” means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District

employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.

6. "Day," unless otherwise indicated, means a day that the District's central office is open for business.
7. "Decision-Maker" is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker's conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
8. "Education Program or Activity" means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
9. "Formal Complaint" means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
10. "Grievance Process" is the process by which the District investigates and determines responsibility for Formal Complaints.
11. "Investigator" is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator has a conflict of interest or bias.
12. "Report" means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
13. "Respondent" is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.
14. "Supportive Measures" are non-disciplinary, non-punitive, individualized supports offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

15. “Title IX Coordinator” is the person(s) designated by the District to coordinate the District’s Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on any matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

B. Posting Requirement

The Title IX Coordinator’s contact information (name or title, office address, electronic mail address, and telephone number), along with the District’s Title IX nondiscrimination statement, must be prominently posted on the District’s website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator’s name or title, office address, electronic mail address, and telephone number.

C. Designation of Title IX Coordinator

All Coordinators, including the Title IX Coordinator, are identified in Policy 3115B.

D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person’s verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of possible sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

E. General Response to Sexual Harassment

1. District’s Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using a designated Title IX Sexual Harassment Formal Complaint Form.

4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. Course-related adjustments, such as deadline extensions;
- c. Modifications to class or work schedules;
- d. Provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. No-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

7. Respondent Removal

a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

1. Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include, but is not limited to, absence of a party, party's advisor, or witness; concurrent law

enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. A copy of this Policy, which includes the District's Grievance Process, and any informal resolution process;
- b. The sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;
- c. A statement that the Respondent is presumed not responsible for the alleged conduct;
- d. A statement that a determination of responsibility is made at the Grievance Process's conclusion;
- e. A statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. A statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and

If the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during an investigation or the disciplinary process, a citation to that portion of the Code of Conduct. If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in the initial notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. Allegations;
- b. Informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. Right to withdraw from informal resolution and resume the Grievance Process at any time prior to a final resolution; and
- d. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or that could be disclosed.

4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding the privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment

unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, during the Grievance Procedure. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Investigator or Title IX Coordinator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. Afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and
- b. Provide each party with the answers, and allow for additional, limited follow-up questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. Identification of the sexual harassment allegations;
- b. Description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
 - i. Notification to the parties;
 - ii. Party and witness interviews;
 - iii. Site visits;
 - iv. Methods used to collect evidence; and

- v. Hearings held.
 - c. Factual findings that support the determination;
 - d. Conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
 - e. A statement of, and rationale for, the result as to each allegation, including:
 - i. A determination of responsibility;
 - ii. Any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
 - iii. Whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.
 - f. Appeal rights.
6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

G. Dismissal

1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a. The Formal Complaint's allegations, even if substantiated, would not constitute sexual harassment as defined in this Policy;
- b. The Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. The Formal Complaint's allegations did not occur in the United States.

2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. The Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. The Respondent's enrollment or employment ends; or
- c. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance

Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular “party,” “Complainant,” or “Respondent” include the plural, as applicable.

I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

1. Providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities;
2. Offering the parties school-based counseling services, as necessary;
3. Providing the parties with academic support services, such as tutoring, as necessary;
4. Rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
5. Moving the Complainant’s or the Respondent’s locker or work space;
6. Issuing a “no contact” directive between the Complainant and Respondent;
7. Providing counseling memoranda with directives or recommendations.

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

1. Assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
2. Additional staff training;
3. A climate survey; or
4. Letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.

J. False Statements

Any person who knowingly makes a materially false statement in bad faith during a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

1. The definition of sexual harassment;
2. The scope of the District's education programs or activities;
3. How to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
4. How to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

U.S. Department of Education Office for Civil Rights
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115
Phone: (216) 522-4970
E-mail: OCR.Cleveland@ed.gov

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

3119 *Experimental or Pilot Programs*

The Board encourages innovation and creativity in its educational programming and general operations through the use of experimental or pilot programs (“Programs”). An experimental or pilot program is a trial program conducted to evaluate feasibility that may be converted to a regular program at the conclusion of the trial period.

Employees may submit a proposal for a Program to the Superintendent or designee for consideration. The Superintendent may also prepare a Program proposal.

A Program proposal must include the Program name, duration, purpose, and goals. Proposals must also include:

- A. A list of proposed materials and equipment to be used in the Program;
- B. Anticipated Program costs, including staffing costs;
- C. A proposed framework for implementing the Program and evaluating the Program’s success, including evaluation intervals and criteria; and
- D. Other relevant information, if requested by the Superintendent or designee.

The Superintendent or designee will review the Program proposal and may seek clarification from the employee(s) that submitted the proposal, if prepared by employees other than the Superintendent. The Superintendent or designee may also amend the proposed Program in the Superintendent’s or designee’s sole discretion.

If the Superintendent or designee believes that the proposed Program (either as originally drafted or as amended) is in the best interests of the District, the Superintendent or designee will present the proposed Program to the Board for its consideration. The Program may be approved by the Board in its sole discretion.

The Board recognizes that experimental and pilot programs are a prohibited subject of bargaining under the Michigan Public Employment Relations Act. The Superintendent is encouraged to consult with legal counsel about legal implications of a Program before submitting it for Board approval.

At the conclusion of the Program, the Board may consider conversion of the Program to a regular program.
