3402 Drills, Plans, and Reports

The Board will take reasonable steps to provide a safe and secure learning environment to protect students and employees.

A. Emergency Drills

The Superintendent or designee will schedule, notify, conduct, report, and post all fire, tornado, and other emergency drills as required by law.

B. Cardiac Emergency Response Plan

The Board will develop, adopt, and provide for annual review a cardiac emergency response plan as required by law. The Board will integrate the cardiac emergency response plan into the protocols of the local emergency response system and emergency response agencies. All high school athletic coaches must be certified in CPR and use of an AED by the American Red Cross, the American Heart Association, or a comparable organization approved by MDE.

C. Drinking Water Management Plan

The Board will develop, adopt, update, implement, and make available upon request a Drinking Water Management Plan as required by law.

D. Cooperation

The Superintendent or designee will act as liaison to work with the School Safety Commission and the Office of School Safety, including to identify model practices for determining school safety measures.

E. Safety and Emergency Plans

The Board will comply with the statewide school information policy, and the Superintendent or designee will provide all reports, information, and notices required by that policy. If the policy does not satisfy the requirements of Revised School Code Section 1308b(3), the Board will develop and adopt an emergency operations plan with public input and participation by at least 1 law enforcement agency having jurisdiction over the District. The statewide school information policy or the emergency operations plan, as applicable, will be reviewed every 2 years in conjunction with at least 1 law enforcement agency having jurisdiction over the District. The Board will notify MDE within 30 days after completing a required review.

F. Reporting Incidents of Crime

Each building principal will collect and update information at least weekly on incidents of crime in the applicable building. At least annually, the Board will post information on its website about incidents of crime in the District and will make this information available to Parents on a per-building basis. Within 24 hours after an incident occurs, the Superintendent or designee will report to the Michigan State Police crimes and attempted crimes identified in MCL 380.1310a(2).

3404 Communicable Diseases

A person with a communicable disease will be restricted only to the extent necessary to prevent the transmission of the disease, protect the person's health and privacy rights, and protect the health and safety of others.

The Michigan Department of Health and Human Services maintains a list of reportable diseases and infections, including those capable of being transmitted to a person. The District will work cooperatively with the local health department to identify, report, and contain diseases and infections in accordance with applicable laws and local health department policies and guidance.

- A. District personnel will immediately notify the Superintendent or applicable building principal when they reasonably suspect the presence of a listed communicable disease.
- B. When it is reasonably suspected that a person has a communicable disease (except for AIDS or HIV infection), the Superintendent or building principal may exclude the person for a period sufficient to obtain a determination by a physician or local health officer as to the presence of a communicable disease.
- C. A person excluded under subsection B may return to school and school-related activities when a physician or local health officer determines that the person does not represent a risk to others.
- D. The Superintendent or applicable building principal will report to the local health department within 24 hours after suspecting either of the following:
 - 1. The occurrence of a serious communicable disease listed by the Michigan Department of Health and Human Services (except for AIDS or HIV infection); or
 - 2. The unusual occurrence, outbreak, or epidemic of any disease, infection, or condition within the District.
- E. Reports, records, data, and other information associated with AIDS or HIV may be subject to heightened confidentiality requirements in accordance with MCL 333.5131.

3405 *Bloodborne Pathogens*

Bloodborne pathogens and other infectious body fluids can be transmitted through contact with skin, eyes, mouth, and mucous membranes, including by needle sticks, cuts, punctures, and bites. The District will observe universal precautions to prevent contact with blood or other potentially infectious materials. Under circumstances in which differentiation between body fluid types is difficult or impossible, all body fluids will be considered potentially infectious materials.

The District will provide personal protective equipment, the hepatitis B vaccine and vaccination series, training, and post-exposure evaluations, as required by law, at no charge to employees whose duties are reasonably anticipated to result in occupational exposure to blood or other infectious materials.

“Bloodborne pathogens” means pathogenic microorganisms that are present in human blood and can cause disease in humans. Those pathogens include hepatitis B virus (HBV) and human immunodeficiency virus (HIV).

“Universal precautions” means a method of infection control that treats all human blood and other potentially infectious material as capable of transmitting HIV, HBV, and other bloodborne pathogens.

3406 *Integrated Pest Management*

The District will monitor, manage, and treat pests on District property.

A. Pest Application

1. The Board does not authorize the application of a pesticide on District property unless a written integrated pest management program is in place for that property. The Superintendent or designee will develop, evaluate, and modify site-specific integrated pest management programs in accordance with law.
2. The Board only authorizes the lawful application of a pesticide by a certified or registered applicator who has been properly trained. After the application of a pesticide, a person may only reenter District property in compliance with restrictions identified by the applicator and required by law.
3. A “pesticide” does not include sanitizers, germicides, disinfectants, or antimicrobial agents.

B. Notice

1. Within 30 days after the beginning of each school year, the Superintendent or designee will provide notice to students’ Parents that they will receive advance notice of the application of a pesticide.
2. Except in an emergency, the Superintendent or designee will provide at least 48 hours’ advance notice to students’ Parents of the application of a pesticide. In an emergency, the Superintendent or designee will provide notice to students’ Parents promptly after a pesticide has been applied.
3. Notices will comply with methods, time frames, and information requirements established by MCL 324.8316.
4. Notices are not required for the application of a pesticide that is a bait or gel formulation.

C. Records

Each building will maintain a copy of its integrated pest management program. Records of pesticide use and other non-pesticide pest management practices will be maintained on site.

3407 Asbestos Management

A. Asbestos Management Plan

The District will maintain an asbestos management plan for each school building and otherwise comply with the requirements of the Asbestos Hazard Emergency Response Act (AHERA) and related regulations.

1. Each asbestos management plan will address building inspections, re-inspections, preventative measures, periodic surveillance, response actions, operations and maintenance, notices, and other information required by law.
2. Each school building will maintain in its administrative offices a complete, updated copy of the asbestos management plan for that school building. The District's administrative offices will maintain complete, updated copies of asbestos management plans for all school buildings. The District will make asbestos management plans available for inspection without cost but may charge a reasonable amount to make copies.
3. The District will provide training and information, maintain records, and perform asbestos-related obligations with accredited persons as required by law.
4. The Board designates the Director of Building & Grounds to oversee the District's compliance with the asbestos management plan and AHERA.

B. Asbestos Abatement Contractors

1. The District will not enter into an agreement with an asbestos abatement contractor for an asbestos abatement project unless the contractor provides an affidavit describing (i) any criminal convictions relating to compliance with environmental laws or regulations, (ii) any notices of violation of environmental laws or regulations, and (iii) whether it has been subject to any administrative order or consent judgment within the preceding 5 years.
2. The District will not enter into an agreement with an asbestos abatement contractor for an asbestos abatement project unless the District conducts a background investigation of the contractor seeking to bid on the project. At a minimum, the background investigation will include (i) consulting the webpage of the Michigan Department of Environment, Great Lakes, and Energy to determine if the contractor has received notices of violation of environmental regulations, or has been subject to an administrative consent order or a consent judgment involving environmental regulations, and (ii) consulting the webpage of the United States Department of Labor, Occupational Safety and Health Administration to determine if the contractor has received notices of violation of asbestos regulations.

3. The District will not enter into an agreement with an asbestos abatement contractor for an asbestos abatement project if:
 - a. the contractor's affidavit discloses a criminal conviction related to compliance with environmental regulations; and/or
 - b. the contractor has been issued five or more notices of violation of environmental regulations, or has been subject to an administrative consent order or a consent judgment involving environmental regulations within the immediately preceding five years, unless (i) the District investigates each of the notices, administrative consent order, or consent judgment and determines that the contractor is able to adhere to the agreement based on the District's observations of improvements or other demonstrated ability to comply with environmental regulations, (ii) the District makes such determinations in writing and publicly available, and (iii) the District conducts at least one public hearing for public input with at least thirty days' notice.

3408 Firearms and Weapons

The District is a weapon-free school zone. Except as otherwise permitted by Policy or required by applicable law, a person may not possess a weapon on District property. See also Policy 5206. Each person on District property must also comply with the federal Gun-Free School Zones Act.

A. As used in this Policy:

1. An “antique firearm” means that term as defined by MCL 750.237a.
2. A “firearm” means any weapon that will, is designed to, or may readily be converted to expel a projectile by the action of an explosive.
3. “Pistol” means that term as defined by MCL 28.421.
4. “District property” means:
 - a. a building, playing field, or property used for school purposes to impart instruction to students or used for functions and events sponsored by a school, except a building used primarily for adult education or college extension courses; and
 - b. a vehicle used by the District to transport students to or from a place described in subsection A.4.a above.
5. A “weapon” means a firearm, pneumatic gun, dagger, dirk, stiletto, knife with a blade over 3 inches in length, pocket knife opened by a mechanical device, iron bar, or brass knuckles, or any other object used, intended, or represented to inflict serious bodily injury or property damage.

B. Permitted Uses

The following persons may possess a weapon on District property:

1. a peace officer as defined by law or those persons listed in MCL 28.425o(5);
2. a student’s Parent licensed to carry a concealed pistol may carry a concealed pistol (but no other weapons) while in a vehicle if the Parent is dropping the student off at, or picking the student up from, the student’s school;
3. a person with permission from the Superintendent or designee to possess a firearm (but no other weapons) within any lawful parameters established by the Board;

4. A non-student at least 18 years old who possesses an unloaded firearm (but no other weapons) in a wrapper or container in a vehicle's trunk while transporting a student to or from the school if any of the following apply:
 - a. the person is carrying an antique firearm while en route to or from a hunting or target shooting area or function involving the exhibition, demonstration, or sale of antique firearms;
 - b. the person is carrying a firearm while in possession of a valid Michigan hunting license or proof of valid membership in an organization having shooting range facilities and while en route to or from a hunting or target shooting area;
 - c. the person is carrying a firearm from the place of purchase to his or her home or place of business or to a place of repair or back to his or her home or place of business, or in moving goods from one abode or business to another abode or business; or
 - d. if the vehicle does not have a trunk, the person is carrying a firearm in the passenger compartment and the person is otherwise complying with the requirements of subsection b or c and the wrapper or container is not readily accessible to the vehicle's occupants.

C. Violations

1. Students and District personnel with knowledge that a person is in violation of this Policy should immediately report the violation to the building principal or designee.
2. Violation of this Policy will result in discipline of students, employees, and contractors, up to and including expulsion or termination, removal from District property, and referral to law enforcement.

D. Notices

1. The District will annually distribute the Michigan Department of Health and Human Services notice concerning the best practices for the safe storage of firearms to the parent or legal guardian of each student enrolled no later than October 1 of each year.
2. By October 1, 2025, and each October 1 thereafter, the District will annually post the Michigan Department of Health and Human Services notice to the District webpage.
