### **4300 Non-Exempt Staff**

#### **4301 Definition**

“Non-exempt staff” may include transportation, custodial, maintenance, food service, clerical, and paraprofessional employees and other employees who do not meet an exemption under the Fair Labor Standards Act or the Michigan Improved Workforce Opportunity Wage Act. The term does not include “exempt” professional staff, administrators, supervisors, or the Superintendent (as defined in Policies 4401, 4501, and 4601). Non-exempt staff are employed at-will and their employment may be altered or terminated at any time with or without cause, unless governed by a collective bargaining agreement or individual employment contract containing a different standard of employment security.

#### ***4302 Employee Pay, Including Minimum Wage and Overtime***

Non-exempt staff will receive hourly compensation at a rate not less than the hourly minimum wage required by federal or state law, whichever is greater. Wages will be paid for all hours worked, including for training time required by the District.

Non-exempt staff will receive overtime compensation at a rate of 1.5 times his/her regular hourly rate for work more than 40 hours in a work week, unless a higher rate is established through a collective bargaining agreement or other written agreement covering the non-exempt staff member. Paid leave time (e.g., vacation, sick, or personal days) will not count as hours worked for overtime compensation, unless otherwise stated in a collective bargaining agreement or individual employment contract.

Overtime work must be pre-approved by a supervisor and properly recorded.

If the non-exempt staff member is compensated at multiple hourly wage rates during a work week, the overtime rate will be based on a weighted blend (by hours worked at each wage rate) of the wage rates earned by the employee in the applicable work week.

Collective bargaining agreements and individual employment contracts may provide for additional overtime compensation.

#### ***4308 Reduction and Recall of Non-Exempt Staff***

The Board, in its sole discretion, may determine that a reduction in force of a Non-Exempt Staff member is appropriate due to curricular, fiscal, personnel management, or other operating conditions. A reduction in force may consist of a reduction of hours or personnel. Reductions in force and recalls are subject to Board approval.

#### **A. Staff Subject to a Collective Bargaining Agreement or Individual Employment Contract**

If the Board determines that a reduction of Non-Exempt Staff governed by a collective bargaining agreement or individual employment contract is necessary, the Superintendent will implement a reduction in force in conformance with the applicable agreement(s).

#### **B. Non-Exempt Staff Not Subject to a Collective Bargaining Agreement or Individual Employment Contract Containing Reduction and Recall Provisions**

##### **1. Reduction in Force**

The Superintendent or designee will make reduction in force recommendations to the Board. The Superintendent's or designee's recommendation to the Board may consider the following criteria for reduction, which are not in order of priority or weight:

- a. programs and services to be offered;
- b. employee qualifications, abilities, skills, and education;
- c. federal, state, and local funding;
- d. employment experience that is relevant to an assignment;
- e. federal and state laws or regulations that may mandate certain employment practices;
- f. special or advanced training that would be of present or future value to the District;
- g. the organizational and educational effect caused by a reduction of Non-Exempt Staff member(s);
- h. formal and informal evaluation of Non-Exempt Staff performance by a supervisor;
- i. length of service with the District and within a classification; and

- j. any other criteria that are rationally related to providing effective support services and operation of or administration of the District, such as discipline record and compliance with attendance Policies and procedures.

## 2. Notification

Notice will be provided as follows:

- a. Before the Board considers a reduction in force, the Superintendent or designee will notify, in writing, each affected non-exempt staff member that the Superintendent or designee is recommending a reduction in force or hours that would affect the non-exempt staff member and the date and time of the Board meeting at which the Board will consider the reduction in force.
- b. After the Board's decision on reduction in force, the Superintendent or designee will provide written notice of the Board's action to the affected non-exempt staff member(s).
- c. A non-exempt staff member who is subject to a reduction in force must, during the period which the member is eligible for recall, provide the District with an accurate residential address, email address, and phone number and report any subsequent change in the employee's contact information. Failure to maintain current contact information may be deemed a waiver of recall rights.
- d. The District may allow a laid off non-exempt staff member to be included on the District's list of substitutes at the Superintendent's or designee's discretion. If the District uses a laid off non-exempt staff member as a substitute, remuneration will be determined by the District or an applicable collective bargaining agreement.

## C. Recall

A Non-Exempt Staff member subject to a reduction in force as described above will have preferred rights to recall to employment for a period of 12 months commencing on the date that the District implemented the reduction in force. The Non-Exempt Staff member will be recalled to any position within the member's classification. Recall decisions will be based on the criteria specified in subsection B.1 of this Policy.

A Non-Exempt Staff member who declines an offer of recall to a position comparable to that held at the time of layoff or for which he/she is otherwise qualified will be removed from the recall list and will forfeit any further employment rights with the District.

A Non-Exempt Staff member must respond within 10 days after the date the District sent notice of recall. Failure to do so may be deemed a waiver of recall rights.

### **4300 Non-Exempt Staff**

#### **4309 Discipline and Termination**

##### **A. Discipline**

The Superintendent or designee may discipline non-exempt staff for behavior warranting discipline, as determined by the Superintendent or designee, provided the discipline is not for an unlawful reason. Off-duty conduct may result in discipline if it adversely affects the District and is not a legally protected activity. Before discipline is imposed, the Non-Exempt Staff member will be provided notice of the alleged inappropriate behavior and an opportunity to respond to the allegations.

A Non-Exempt Staff member governed by a collective bargaining agreement or individual employment contract will be disciplined consistent with the procedures and standards specified within that agreement.

A Non-Exempt Staff member who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.

The Superintendent or designee will record discipline in writing, if warranted. Written discipline will be placed in the Non-Exempt Staff member's personnel file. The Non-Exempt Staff member may submit a written rebuttal letter consistent with Policy 4224.

Consistent with Revised School Code Section 1230b, unprofessional conduct will not be suppressed or removed from a personnel file.

##### **B. Termination**

A Non-Exempt Staff member is employed at-will and subject to discharge by the Superintendent or designee, with or without cause, provided the discharge is not for an unlawful purpose, unless a collective bargaining agreement, individual employment contract, law, Policy, or handbook provides otherwise.
